

# Introducing Dublin, Ireland's thriving capital city of culture

**INTERN.  
STUDY.  
ENJOY.**

## Literature, theatre, live music, contemporary and traditional crafts all blend together to form Dublin's rich creative culture.

We are experienced internship specialists with over 20 years expertise. Our mission is to ensure each and every student gets a valuable professional and cultural experience that will benefit their future career. We offer total support throughout your stay and are always there if you have a problem.

### Why do an Internship?

- ▶ Employers increasingly want to see actual work experience on cv's as well as academic achievements.
- ▶ Employers increasingly see their internship programs as the best path for hiring entry-level candidates
- ▶ Internships enable you to have practical work experience and see if you are on the right career path.
- ▶ You will gain confidence, increase your business network and improve your cv.

### How do I apply?

- ▶ Send us your cv 6-8 weeks before internship start date.
- ▶ We will begin the search for your placement and set up Skype interviews if necessary.
- ▶ Once your placement has been confirmed we will send you full information.

It's as simple as that...

## SCHOOLS/UNIVERSITIES/AGENCIES

We specialise in arranging work experience programmes for groups particularly groups that have ERASMUS + funding, if you are seeking a reliable partner in an English speaking EU country contact us today. These programmes can include airport collection on arrival and departure, host family accommodation, English language course together with internship. With our extensive database of host companies, recognised schools and carefully vetted host families, we can customise our programmes for any Study Abroad group.

## PROGRAMMES ERASMUS +

### LONG TERM INTERNSHIPS

**6-16 weeks**

Available in all sectors. Interns can apply for **ERASMUS+** funding through their University or National Agency. Many companies prefer a longer stay intern as they can invest time in training and assign the intern meaningful projects. **INTERNSPLUS** will carry out regular monitoring of the placement and provide all documentation required at the end of the internship. Sample sectors International Business, Marketing, Graphic Design, Engineering, IT, Finance, Animation, Film, Environmental, Tourism and much more.

### SHORT TERM INTERNSHIPS

**2- 6 weeks**

These internships are valuable even though the stay is short, this programme is usually for school groups who travel during the school year, an English language course may also be included in the programme. Sectors available for short stay include Administration, Tourism, Food & Beverage, Retail, IT. **INTERNSPLUS** will carry out regular monitoring of the placement and provide all documentation required at the end of the internship.

**ACCOMMODATION** can be arranged with carefully selected Irish host families, students can opt to stay in either twin or single rooms. Breakfast and evening meal is provided as well as internet, laundry etc. Homestay is arranged as close as possible to host company journey time between 30 - 50 mins by public transport.

**CULTURAL PROGRAMMES** can be arranged to suit your budget, our staff have a wealth of experience and can advise you of the best places to visit either in Dublin or countryside. Ireland is a popular tourist destination, you will never be short of things to do and places to see.

**ENGLISH LANGUAGE COURSES** - We work with only approved English Language schools recognised by the Irish Department of Education & Science - ACELS (Accreditation and Coordination of English Language Services). Schools are located in Dublin city centre and classes comprise of 20 - 25 hours per week.
